ABOUT THE COMPANY

Three decades on site

P.D. Enterprises began in 1992 with a single client, the Sanjay Gandhi Thermal Power Station at Birsinghpur (Pali), Madhya Pradesh. The firm was founded by its proprietor, Mr. P.D. Saji, whose background covers HVAC, fire fighting, mechanical erection, structural fabrication, electrical, plumbing and civil contract work.

Today we work across many states for public-sector power producers, private industry, hospitals, hotels and commercial buildings. We keep our own tools, machinery and trained workforce, so a job is started, executed and handed over by the same team. Our aim is the same for every client, whatever the size of the order: quick response, usually within 12 to 24 hours, careful workmanship and a competitive price.

Years on site, since 1992	Ongoing projects across India	Team members on our own payroll	Jobs sublet: every site is run by our own team

WHAT WE DO

Services

HVAC systems
Supply, erection, testing & commissioning of chillers, VAM, packaged, ductable, split and window air conditioners.

Fire fighting systems
Fire alarm & detection, hydrant, sprinkler, water spray and water mist systems, engineered after a site survey.

Annual maintenance
Long-running AMCs for HVAC and air conditioning at power stations and industrial sites, with trained staff on site through the year.

Electrical work
Cable laying, erection, testing and commissioning, including the complete electrical package for fire fighting systems.

Mechanical erection
Erection and alignment of mechanical equipment, tanks and plant utilities.

Structural fabrication & roofing
Steel structures, sheds and roofing from fabrication and erection to the last sheet; fire water storage tanks.

Insulation & ducting
All types of thermal insulation, sheet-metal ducting and chilled water pipe insulation.

Piping systems
LP piping, raw water piping and fuel oil handling systems.

Civil works
Turnkey civil construction: footing to finish, with plumbing, electricals, false ceiling and fabrication.

FROM THE PROMOTER'S DESK

"At PD Enterprises, our journey has been built on trust, quality service, and commitment. We believe in honest work, customer satisfaction, and maintaining high standards in every job we do. Our team is our strength, and together we continue to grow with discipline, responsibility, and dedication."

P. D. Saji, Proprietor
